

Sex Scene Worksheet

1. Who? *(Jot down a few things you know about your characters that you think will impact your scene.)*

2. Where? *(Get a little creative here and describe where your scene is taking place. This is the fun part!)*

3. List the kind(s) of sex your characters will be having. *(Remember, it's important that you know what your characters will be doing, so set aside some time and figure it out.)*

4. Write a Rough Sketch of Your Scene *(This should just be a narrative summary of what is going to happen. You'll use this as a guide to write your scene.)*

5. Now open a new document and start writing your scene using these details. *(Don't worry about getting it right the first time, just get it on the page. You can go back through and layer in detail once you have written the scene.)*
